**Harp Music to Soothe the Soul**  
**CD LISTENER REVIEWS**

*"If you or someone you love are on a healing journey, therapeutic music supports the body, mind, and spirit and stimulates a feeling of deep inner peace. Gifted harpist and healer, Christine Magnussen has created an outstanding CD called **On Wings of A Dove**. ~ Gail Mc Meekin, **Creative Success**, consultant, coach and author of The 12 Secrets of Highly Creative Women and The Power of Positive Choices*

**How listeners are using this CD**

**For Stress-relief, massage and relaxation**

*"I am a massage therapist and have used your CD while massaging clients, including Hospice Patients and their caregivers, and as background music while teaching Infant Massage Classes. I love your work, as it has been a wonderful therapy to add to massage. "*

*"Your music is magical. One CD is at my bedside to help in my never-ending quest for a good night's sleep. One CD is at my mother's oncologist where he now plays it while people are undergoing chemo. The third is at my massage therapist's. She does cranio-sacral and Reiki massages." ~ Lois Mill, **RN,C**.*

*"Massage affects the body, mind and spirit in profound ways--physiologic effects such as lowered blood pressure, breathing rate, heart rate, as well as freeing the mind and spirit from the stressors of everyday living. Using your therapeutic music with massage greatly increases the potential for healing to occur." ~ Sharon Smith, **R.M.T. Tranquility Professional Massage***

*"This CD is not only for grief, illness or massage. Whatever I'm feeling before I put it on, my mood shifts sometimes subtly and sometimes rather dramatically to peace and relaxation. Thank you, Christine, for your healing sounds." ~ Barb Callner, retired teacher*

*"This harp music is like a gentle rhythm of a heartbeat - it allows you to take a deep breath and just breeeeathe." ~ Mary Ellen "Angel Scribe", Author of *Expect Miracles, A Christmas Filled with Miracles*, co-host of *Angel Waves*, WSAI -1530 AM, Cincinnati.*

**For prayer, peace and meditation:**

*"Thank you for the incredible healing gift of harmony, grace and peace you offer the world!" ~ Rachael Parkhurst, **spiritual counselor** - [www.belovedspeaks.com](http://www.belovedspeaks.com)*

*" I use your music to calm my mind before prayer and meditation in my daily spiritual ritual. Thank you for this Divinely inspired healing music." ~ Patricia Wittenbrock, **Reiki Practitioner***

## **To ease dental anxiety:**

*"Listening to your On Wings of A Dove CD helped me to finally sit in a dentist chair without clenching my fists." ~Kelley Giaramita, **R.N./massage therapist***

## **As a SLEEP AID:**

*"I have been listening to your CD EVERY NIGHT before I go to sleep. I have never heard any more relaxing music than yours." ~Sarah Smith, **RN***

*"This is truly beautiful and soothing music for use as a natural sleep aid - it's the perfect way to relax. ~Barbara L. Heller LCSW, psychotherapist specialist in women's healthcare and complementary medicine. Author of: 365 Ways to Relax Mind, Body & Soul and How To Sleep Soundly Tonight.*

*"I have always loved the sound of the harp and found near perfection in your On Wings of A Dove. I play your beautiful CD often at night to help me sleep - I just love the calm quietness of it. Thank you so much for sharing your talent with those who really appreciate it and need it." ~Donna Lee*

## **To calm hyperactivity:**

*"My ADHD son has chosen your harp CD as his favorite bedtime music. This harp music relaxes him more than any other." ~K.J. - **R.N. Instructor***

## **As distraction from smoking and other addictions:**

*"I've been smoke-free for over 2 weeks, and was having trouble relaxing and sleeping. After listening to your music, I notice I am feeling more calm and peaceful. ~W.W, recent ex-smoker*

## **For Cancer patients:**

*"Your music takes my mind spirit to a place where cancer does not exist." ~ C.N., **chemotherapy patient***

*"Christine's music has brightened the faces of so many of the cancer patients that I work with. It's a vibration that reaches into the soul and rests there awhile. Her contribution is greatly appreciated." ~ Joan Haukom, Community Cancer Control Manager, **American Cancer Society***

*We're delighted to use On Wings of a Dove as an ongoing fundraiser product for Wings Cancer Foundation. The music creates a soothing background throughout the clinic, and particularly enhances the healing space created within the Wings Resource Room for meditation and reflection, the waiting areas, and the WingsGallery which hosts rotating art exhibits within the clinic." ~ Sally Hensley, Program Coordinator, **Wings Cancer Foundation***

## **To COMFORT GRIEF:**

*"Christine Magnussen's beautiful harp music embraces the listener like a blanket to comfort and bring a sense of peace.*
